GRADUATION CEREMONY

Monday, May 16, 2022

Room 110 | 1:30pm

5.16.22

“

Every human advancement or reversal can be understood through communication. The right to free communication carries with it responsibility to respect the dignity of others — and this must be recognized as irreversible. Educating students to communicate this message effectively and to be of service to all people is the enduring mission of this school.

Walter H. Annenberg, October 16, 1958
